

Existing vegetation to be retained and managed to provide visual enclosure from A617

Agricultural fencing

New planting of larger tree species, including 70% evergreen species and woodland scrub, along eastern edge to integrate proposals and filter views from Averham, Kelham, Trent Valley Way, nearby Public Rights of Way and the A617

Bund adjacent to acoustic structure planted with Blackthorn to create dense thickets on bund

Blackthorn planted to create dense thickets on freestanding bunds to further filter views and integrate proposals

Existing vegetation along eastern boundary to be retained and supplemented with new planting of larger tree species and woodland scrub species to the west in order to respect character of Staythorpe Road

INDICATIVE PLANT SCHEDULE

Larger Tree Species

(at predicted height of c. 4.5 metres at Year 1 implementation, progressing to c. 9 metres height at Year 15)
 Planting to include 70% evergreen species split:
 Tsuga heterophylla (60%)
 Pinus sylvestris (10%)
 Remaining 30% to include the following deciduous species:
 Acer campestre
 Alnus glutinosa
 Prunus avium
 Quercus petraea

Woodland Scrub Species

(at predicted height of c. 1.5 metres at Year 1 implementation, progressing to c. 8 metres height at Year 15)
 Corylus avellana
 Crataegus monogyna
 Ilex aquifolium
 Ligustrum vulgare
 Taxus baccata

Native Hedgerow Planting

(transplants; approximately 0.8m in height at Year 1 implementation, to be managed to 3.5 metres in height)
 Corylus avellana
 Crataegus monogyna
 Ilex aquifolium
 Prunus spinosa
 Rosa canina
 Salix caprea
 Viburnum opulus

Bund Planting

(transplants; approximately 0.8m in height, planted at 450mm centres to create a dense thicket)
 Prunus spinosa

KEY

- EXISTING**
- Existing vegetation
 - Trees & vegetation to be removed or cut back
 - Retained grassland

PROPOSED

- Native tree & woodland scrub planting
- Native trees
- Native hedgerow
- Wildflower grassland
- Seasonally wet basins

Rev	Date	By	Note
C	190124	VR	Amends in line with changes to A617 junction layout
B	221123	NF	Woodland Planting Extended
A	180923	KCh	Amended in line with tree and landscape officer comments
