- If you haven't received an e-mail from us, it is possible the e-mail has been moved into your 'spam' or 'junk' folder by your e-mail provider. Add the SSE e-mail address it was sent from to your 'Safe Senders' list – this will prevent emails from that address being moved into your spam or junk folder in the future. This can be done by
 - a) adding the address in your safe senders list or
 - b) marking the e-mail as not junk and checking the box '*for this and all future messages from the relevant SSE e-mail address*'.
