

A scenic landscape of rolling hills with several white wind turbines. A large white square frame is overlaid on the right side, focusing on one turbine. In the foreground, there is a small stream with reeds and a patch of white flowers. The sky is clear and blue.

Aberarder Windfarm Community Liaison Group

You're invited to join the Aberarder Wind Farm Community Liaison Group (CLG).

Come along to meet the project team and get updates on the construction of Aberarder Wind Farm, including progress on the replacement of Flichity Bridge.

Hybrid meetings will be held in person at the Farr Community Hall or via Zoom.

To register your interest in attending, please contact Eilidh Edgar at eilidh.edgar@sse.com or call 07879992917

A series of small, white, stylized wind turbine icons arranged in a vertical line on the right side of the page.
